

YOUR RECYCLING IS GETTING AN UPGRADE!

We're excited to provide you with a 96-gallon cart with wheels, a convenient way to help keep your neighborhood cleaner. **NOW YOU CAN MIX ALL YOUR RECYCLABLES AND NO SORTING IS REQUIRED.** Just toss all your recyclables loosely in and then roll the cart to the curb – it's that easy! In addition, your service will now be collected with an Automated-Side Loader (ASL) truck, which is a safer and more time-efficient method of collection. You may start using your cart immediately. If you have any questions, please contact your municipality.
