**PLEASE REMEMBER.....**

- A separate Permit is required for each application of manure on fields. Following manure application pursuant to a Permit, provided there was no violation of this Ordinance, the permit holder may apply for a second or subsequent permit for a second or subsequent manure application on fields.
- Day and Night Location operations will be permitted as long as all requirements of the MUTCD are met. However, night, i.e., one-half (1/2) hour before sunset until one-half (1/2) hour after sunrise, location operation privileges may be restricted, suspended, or revoked in the sole discretion of the Town Board.
- No more than three (3) transfer trucks, shall be parked on the road where the tank is located. All such waiting trucks shall be parked on the same side of the road at minimum intervals of one-quarter mile, and parked to avoid interference with intersections and driveways.
